Please find the **Siboney+Andy Wedding Packages** and options below. Most common scenarios are covered here; but all these packages are easily customisable, so if you have something else in mind for your special day, then please don't hesitate to get in touch to discuss your options and ideas

*Siboney + Andy earned their stripes in the Wedding/Function scene in Perth, Australia, fronting and performing with one of the most in-demand wedding and event bands on the scene for 5+ years. Moving to London in 2011, they started the Siboney + Andy duo, which quickly turned into a full-time gig, performing an average of 250+ gigs a year throughout UK/Europe during their 9-year stint.*

*Having performed at countless weddings and events, Siboney and Andy have the performance experience, expertise and wow-factor to satisfy any audience. The versatile duo can cover everything from intimate acoustic/vocal arrangements for ceremonies, vibey cocktail acoustic music for pre-reception, and rip-roaring upbeat party sets to get the dance floor grooving during the reception. Utilising live-looping of guitar, beatbox and drums, suitcase stomping beats and vocal effects, the high-energy pair cover a vast repertoire from the last 50 years of popular music in their own signature style.*

## CEREMONY MUSIC

Acoustic live music featuring guitar and vocals, this is a beautiful way to put a unique touch on your special day. Siboney + Andy perform your special song requests for:

- Walking down the aisle (Processional)
- Signing of the register
- Wedding Ceremony exit (Recessional)

## COCKTAIL ACOUSTIC SETS

Featuring acoustic style covers, with options of 1 or 2 sets (please see the packages below). This is an ideal way to kick-start your event with some vibey live music as an accompaniment to your post-ceremony / pre-reception congratulatory drinks, canapés and lawn games.

## RECEPTION PARTY MUSIC

Live party music to get the dance floor moving and grooving! The Reception Package (Package 3) includes 2 hours of upbeat live party music. Siboney + Andy are also happy to perform a first dance song of your choice.

Siboney is also an accomplished DJ, and is available to DJ party music to keep the dance floor going in between sets, and/or after the live music. If you would like DJ specific reception packages (with live music optional add-ons), please see the "DJ Siboney Wedding Packages" info document.
