Membership Forms & Invoices

As your yearly membership with The Greater Wheeling Chapter of AITP expires and your dues for the next year is due you receive an email from me (Joe) with an Invoice to continue your membership. I will also ask you to fill out a renewal Membership Form to make sure that we have the most correct and current information for you.

I have noticed that some of you are not receiving those emails and it may be because they contain a link to our Google Forms that we use to get the needed data. Sometime those emails are not even delivered and are stopped at your firewall. I am working with a different company - Cognito Forms. I hope that it will correct that issue.

If you get the Invoice but not the Form email, please let me know and I will send you a PDF version.

Please fill them out as soon as possible. It takes a lot of time to keep track of everything and it will help if I don't have to keep checking with everyone. I am currently working on 32 new and renewals.

If you have any questions, let me know. If you are not planning on renewing let me know that too and I will quit checking with you.

Thanks. Joe

The Greater Wheeling Chapter
Individual **M**erit **A**wards (IMA)

When CompTIA AITP took over the control of AITP, one of the things that they changed was dropping the Individual Performance Awards (IPA) where you got points for your active participation in the Chapter and the Community. As you gathered points, you were awarded a plaque that showed that you are working on your Leadership Skills and growing as a leader in your career.

The Greater Wheeling Chapter of AITP decided to continue that tradition by starting our own system called Individual *Merit Awards* which I have been working on for a while now. The Awards System was to start in 2019 but it took a while to get it up and running. It is starting with the 2019 year and going forward.

On January 31st, 2021 I was finally able to send out the IMA Worksheet to all of our members to be filled out with their participation for 2019 & 2020.

If you are a member and did not get my email with the worksheet attached let me know and I will see that you get it.
