
The Greater Wheeling Chapter AITP

October 12th, 2022

This month we will be having an **Regular Meeting with a Virtual Component**

David Rihak
Peig
Co-Founder and CEO

“Passwordless Access and Beyond”

David is a co-founder and CEO at Peig: a cybersecurity company determined to help organizations get rid of passwords and up their cyber game with passwordless access security. Before this, David was a Digital Identity Director at ADUCID, where he co-designed citizen-centric identity solutions and helped develop federal and private partnerships. As a frequent speaker at security conferences, David is a vivid promoter of human-centric security architectures that leave passwords in the dust. Before his work in identity & access management, he co-founded Spineful – a posture correction wearable device. David is a University of Toronto alumni, where he specialized in computer systems.

Peig, with its headquarters in Pittsburgh, is the password less access platform that lets your team focus on what's important by making access invisible yet unconditionally secure, whether on BYOD or public Wi-Fi.

Provide seamless remote access across all of your cloud and on-prem applications while protecting resources with an unprecedented level of security. With Peig Access Platform, the compromise between productivity and security is over for good.

Enjoy an unparalleled ease of working without having to remember usernames and passwords or checking your email and phone for OTPs. Peig can be bound to any of your devices for instant authentication anytime you open a work app.

Implement access management in Zero Trust as a service or private cloud

- Ensure unparalleled security of resource access and authentication from any device
- Achieve operational efficiency when deploying, configuring and modifying with Peig Access Platform
- Granular but super-easy access control for the entire workspace
- Control access in any web application, either built on standards or niche
- Integrate situations sensitive workflows and security policies

A Heads Up & Request for Suggestions

Wheeling Park is going to start on a complete upgrade of their facility starting in November and lasting until May of 2023. Consequently we will not be able to hold our meetings there until at least May or June.

We would appreciate any suggestions for a place to hold our meetings for the next 6 months, please let us know.

Membership Forms & Invoices

As your yearly membership with The Greater Wheeling Chapter of AITP expires and your dues for the next year is due you receive an email from me (Joe) with an Invoice to continue your membership. I will also ask you to fill out a Renewal Membership Form to make sure that we have the most correct and current information for you.

Please fill them out as soon as possible. It takes a lot of time to keep track of everything and it will help if I don't have to keep checking with everyone.

If you have any questions, let me know. If you are not planning on renewing let me know that too and I will stop checking.
