
The Greater Wheeling Chapter AITP

June 8th, 2022

This month we will be having an **In Person Meeting with our Virtual Option**

This Month's Meeting

Scott Jones
Crown Castle

Manager of Security Standards and Compliance

“Ethical Hacking”

The presentation will cover some aspects of the art of ethical hacking, including what it is, comparing it to penetration testing as well as red teaming and bug bounty programs. It will also cover some training considerations as well as ways to enhance not only skills but career prospects.

Bio:

Scott has been in IT for 15+ years in various roles, focused on networking and systems of all size and types, and has worked with orgs of all sizes from small to Fortune 500 and 100 over his career. Scott has dual Master's degrees in management and leadership as well as cybersecurity and information assurance from Western Governor's University. He also holds several industry certifications including CISSP, CCSP, E|ISM, CEH, CHFI and PenTest+. Currently, he is the Manager of Security Standards and compliance for Crown Castle, a Fortune 500 telecom company located in South Hills. Scott is a life-long native of the Ohio Valley and lives in the area with his two kids, 14 and 4 years old.

Membership Forms & Invoices

As your yearly membership with The Greater Wheeling Chapter of AITP expires and your dues for the next year is due you receive an email from me (Joe) with an Invoice to continue your membership. I will also ask you to fill out a renewal Membership Form to make sure that we have the most correct and current information for you.

Please fill them out as soon as possible. It takes a lot of time to keep track of everything and it will help if I don't have to keep checking with everyone.

If you have any questions, let me know. If you are not planning on renewing let me know that too and I will stop checking.
