“Future direction of the Greater Wheeling Chapter”

The July meeting will be one for our Member's to discuss the future direction of our chapter.

CompTIA is willing to give their ownership of the AITP intellectual property to a national organization that is being led by a team of members from various AITP Chapters that are working to make that happen.

We as a chapter need to decide if we wish to join the NEW National AITP Organization under the new leadership **or** become our own organization.

Regardless of the direction chosen, this is an opportunity for us to shape the organization in any way we, as a chapter, desire.

This is going to be the meeting that all of our members need to attend either in person or virtually.

You will find out all of the details of our options, so come with your questions and thoughts in order to make this a successful meeting.

We need your input, it is essential for our future.

Please mark your calendars and RSVP as soon as you can. We hope to see as many of our members as possible participate in deciding the future direction of our chapter.

Be sure to **RSVP** as soon as you can, Use the link on the bottom of this page to the **<<** Left.

One is for our **members** to let us know how your leadership is doing and the other is for **anyone attending a meeting** to let us know their thoughts about how they rated the meeting. We hope that you find both to be useful and will take a moment or two to let us know how we are doing.

All members should have received my email with the information and link for our **Awards Program**. We like to acknowledge the work that our members do to make the chapter run smoothly and for their community involvement. Please take a few minutes to check this out. If you didn't get it let us know at **AITP.GWC@gmail.com** and we will send you another one.

Lunch Discussion Group

Dolph is working on setting up a **Lunchtime Discussion Group**. He is scheduling the 2nd meeting to discuss how to make it work. If you are in the Wheeling Area and would like to check it out or learn more about it, send us an email and we will get back to you with the information.
