

Beyond SFST's

This course is designed for law enforcement officers and attorneys who are looking to increase their impaired driving enforcement knowledge and skills. During this 8 hour course, participants will discuss administering Standardized Field Sobriety Test (SFST's) as well as Non-Standardized Tests for both alcohol and drug impairment cases, evidence collection as it relates to impaired driving, as well as tips on report writing.

Beyond SFST allows officers to add another tool to their toolbelt by giving them resources as well as boosting their confidence as it relates to impaired driving enforcement.
