

Blakeley Eastern Shore Cruise

3 April 2024

A unique narrated voyage of discovery exploring the major battles of the Civil War's "Mobile Campaign" from the rivers along which its major actions took place! In addition to discussing the battles of Fort Blakeley and Spanish Fort, you will learn about the numerous Confederate and Union Warships which vied for control of area waterways during the Civil War's last major campaign.

We will journey through the diverse ecosystem home to the state's largest population of alligators, black bears, rare red-bellied turtles, ospreys, bald eagles and many species of fish.

Nobody knows the water of the scenic and historic Mobile-Tensaw delta better than the licensed captains of the *Delta Explorer*. The U.S. Coast Guard-licensed covered boat features bench seating, a restroom, and is handicapped accessible.
