

Thoughts on the Grand Canyon Trip

April 25 - May 1, 2024

America the Beautiful!! From the majestic sandstone carvings in Sedona by the very hand of our Almighty God to the spectacular Grand Canyon, the trip to Arizona was one to check off our bucket lists!! - - Julie

What a wonderful time! You have to see the Grand Canyon to understand its beauty. Our train ride was an experience to enjoy the desert. It was my first longer trip, and I made many new friends. - - Arlene

We had a wonderful trip. The evening at the Brazen M Ranch was a hoot!! Great food and fun entertainment. The Pink Jeep Tour of beautiful Sedona was cold, but the scenery was awesome! The Mexican food on our last night in Sedona was the best I've ever tasted. The train ride to the Grand Canyon was fun and the canyon was mind-boggling. Everyone got along and enjoyed each other's company. And 'ohhhh, those grizzlies'!! - - Shirley
