# SMOKE ALARM

**CODE: SMK-98A**

The SMK detects smoke that is typically caused by a fire.

It has a alarm volume of more than 85 db.

Our product is best used residentially for household purposes.

DC Power:	DC 9V
Static Current:	<10uA
Alarm Current:	<12 mA
Low Voltage alarm:	6.5V ~ 7.5V
AC Power:	220 - 240V/AC
Power Frequency:	50/60 Hz
Current:	<25 mA
Alarm Volume:	>85db (3m)
Working Temperature:	-10°C ~ 50°C

**CE RoHS**
