

MEELECTRONICS

T BULB SERIES

CODE: TBLB

Similar to the A bulb, the T bulb is also the perfect replacement to the incandescent light. However, it provides a higher wattage and higher lumen than the A bulb.

Lamp Size (mm)	Screw	Wattage	LED Chips 2835 1W	Lumen	Color Temperature	Voltage Frequency
T100	E27	30W	28	2550 lm	3500K / 6500K	175-265V 50 Hz
T120	E27	40W	44	3400 lm	3500K / 6500K	175-265V 50 Hz
T140	E27	60W	50	5100 lm	3500K / 6500K	175-265V 50 Hz

CRI > 80
Lumen: 85 lm/W
Driver: IC Driver
Material: PL + AL
Power Factor: 0.5
GLS equivalent: 1W = 10W

The T160 will be available in our stock soon.
