# PIN LIGHTS

## CODE: PIN

The pin bulb is most commonly used for decorative purposes such as under-cabinet lighting.

Their small size and relatively high output make them perfect in locations where space is limited.

Screw	Wattage	LED Chips	Color Temperature	Voltage
G4	2W	24	3500K / 6500K	AC220 - 240V
G9	3W	64	3500K / 6500K	AC220 - 240V

**Lifetime:** 30,000 hrs  
**Energy Saving:** 90%  
**Lighting Angle:** 360°
