

REMINDER: Entry Requirements into Honduras continue to be the same. There have not been any modifications. Here is what you need to know:

- You must either show proof of your Covid vaccination or have evidence of a Negative COVID test taken less than 72 hours before arrival.
- Fill out the Immigration Precheck Form online.
<https://prechequeo.inm.gob.hn/Login> (Click on English, and you may have to use google translate.)
 - (If you do not do this beforehand, you will have to fill it out before flying out, and you could miss your plane.)

Other Need-To-Know Information:

- You will be traveling to a different airport at <https://aeropuertointernacionalpalmerola.com/> There is no one to help you with the luggage like in Tegucigalpa airport but there are carts.
- As soon as you leave the airport, there are buses waiting to take you to the airport in Tegucigalpa. You will take the bus to Tegucigalpa and Ever and Gab will meet you there.
- The ride is about 1 and half hours long.
- On your return it will be the same process. You must have a negative Covid test a day before Traveling back to the states. You can do this in Talanga
- There is no charge for the bus ride from and to the airport, but that may change in the future. We are hoping that the airport in Tegucigalpa will reopen for international flights.
- You will need to wear masks at the airport and in public places.
- You should exchange money at the airport.
- Honduras will not take the old 100 U.S. dollar bills they have to be the new bills.
