Honduras Customs Declaration Form

- Complete one (1) form per family traveling or one (1) form per person traveling alone.

Starting Monday, March 27, 2023, all individuals traveling to and from Honduras must **complete the Honduran Customs Declaration form electronically before arriving at the airport.** If you're traveling as a family, the head of the household can complete a single form for the whole family. This form is mandatory for both entering and leaving the country.

Below is some info to help you complete the mandatory pre-check documentation, required both entering and leaving Honduras (though we never do it leaving and have had no issues).

Print the entry form and the custom forms or have them available on your phone for your arrival.

1. For "United States", go to "E" and select "Estados Unidos" ▪
