LEARNING FOCUS

As we begin this new school year, we will spend the month of September establishing routines and procedures to carry us through our year. These routines will provide structure and help children feel secure and confident as they navigate their days. During the first 3 weeks of school students will have lots of time to play, explore, and build new friendships! We will begin to build the skeleton of what our days will consistently look like. This will include time for singing, art, building, literacy, math, and outside play.

Below you can view our weekly themes as well as letters and numbers that will be taught. (Phonological awareness and print awareness will be continuous through the school year.)

Week of Sept. 9 - Back to School, Letters Aa, Bb, Numbers 1,2

Week of Sept 16 - Getting to Know You, Cc, Dd, Numbers 3,4

Week of Sept. 23 - Getting to Know You, Ee, Ff, Numbers 5,6
