

# Mrs. O'Neill's February Newsletter

Some of the things we will be doing for the month of February will be:

- March around the alphabet as we review the letters and sounds that have been introduced.
- Count higher and higher, and learn simple addition and subtraction.
- Continue to work on the concepts of opposites, rhyming, before and after, same and different, left and right and syllables (teach your child to clap each syllable as he/she says the word.)
- Learn about groundhogs and shadows.
- Reading stories and singing songs while learning about Valentine's Day.
- Listen to our heart along with learning how to keep our hearts healthy.
