9/25 red 10/21 orange
10/7 yellow 12/2 green
11/6 blue 10/23 purple
10/2 pink 12/18 brown
10/9 b/w

Back to School

This month we will begin by getting accustomed to classroom routines and building friendships. We will learn that “germs are not for sharing” and how to stay “on the tracks” no matter what. We will be painting, singing, cutting and gluing, building and spending time outside and in the gym. Please remember to dress your child in comfy clothes and shoes made for running because learning can be messy.

Foundations

We will begin our Foundations Reading and Writing Program by learning letters Aa-Gg. Each week we will introduce a new letter on Monday and Wednesday. Ask your child about Echo, our owl.

COLOR DAYS

We will be continuing to hone our color identification skills by introducing color words. Ask your child to find clothes for the color of the day. As we introduce new color words, try to point those words out when you see them in a story book or out in the world.
