## Mrs. O'Neill's Class

- We are so happy to be back at school and working with you and your child. We are going to have so much fun!
- This is a big year. Your child will be encouraged to become independent. Each morning your child will be unpacking his/her book bag and passing along any important papers to the teacher. Each child has a mailbox for keeping papers that will be going home. The children will pack their book bags at the end of the day. **Please encourage this independence, and please check and empty book bags daily.**

### FUNdations

Letter	Keyword	Sound
A	Apple	a
B	Bat	b

- ⇒ We will start the year off singing songs and reading stories about school. We will be playing games to help us get acquainted with all of our school friends.
- ⇒ Our daily art activities include coloring, tracing, cutting and painting. We will learn to use a dot of glue and not a lot. Fine motor skills will be the focus as the children complete the first pages in their workbooks. The first letter to be introduced is the letter A/a. We will be using **FUNdations** activities for learning letter/keyword/sound, in alphabetic order.

I have attached information about FUNdations and the alphabet we will be using this year.

Scholastic book orders are available online.
