## Superheroes

- Week of Oct 2: Owen S.
- Week of Oct 9: Evelyn
- Week of Oct 16: Amelia
- Week of Oct 23: Cole
- Week of Oct 30: Nora

## Fall Fun

We will start October talking about farm life. From there we will move to fall sports and activities, ending the month with our HALLOWEEN PARTY! Costumes encouraged, but not required. All I ask is that props (magic wands, swords, etc) stay home, so they don't get lost. We have some parent leaders organizing the party, but there's always room for more help at the party. Please contact Mrs. Russ with any questions.

## Foundations

We will be continuing our Foundations Reading and Writing Program by learning letters Gg-Nn. Each week we will introduce a new letter on Monday and Wednesday. Ask your child, "What was the letter of the day?"

## CO OR DAYS

We will be continuing to hone our color identification skills by introducing color words. Ask your child to find clothes for the color of the day. As we introduce new color words, try to point out color words when you see them in a story book or out in the world.

## Picture Days

On October 12, we will have Crystal Tucker at JCA to take students' pictures. Every student will be photographed, but it is up to families whether or not they wish to purchase portraits. Ms Tucker is kindly sharing a few wallets with me so I can use them for crafting throughout the year.

## \*\*\*\*\*ATTENTION\*\*\*\*\*

Please save a few wrappers from your child's favorite Halloween trick-or-treats for a project. Send them to school in an envelope or plastic bag marked with their name.
