

Mrs. Yost's Weekly Report

Week of:

October 23, 2023

Current Events

This week we will be learning the sound /m/ makes. You hear that sound at the beginning of **munchy** and **mouth**. I gave each child a magnifying glass to help them search for their /m/ homework.

Special Events

In math besides counting objects up to ten we are also learning how to write the numerals 1-6. (See the attached sheet.)

Personals

Coach Tom has a movement class once a month with our school. Try to remember to send your child in tennis shoes on Fridays if you are able.

Reminders

Oct. 27th - Our classroom Halloween party. Your child may wear their costume to school that day.

Nov. 7th -No school (The church is a voting site.)

Help Given

Remember to make and add M and m to the pack of flash cards your child should be practicing nightly.

Special

You have three choices you can do with the book that your child checked out from the Kidmobile:

1. Return it to any Stark County Library
2. Return the book to me any morning after reading it
3. Keep it until our next Kidmobile date and give it to me
