

PULS

Efficient and compact DIN rail mount power supplies for industrial 1-Phase and 3-Phase systems (IP54, IP65 and IP67). DC/DC Converters, POE Solutions, DC-UPS and buffer modules. FIEPOS Decentralized Field Power Supplies. Electronic Circuit Breakers to reliably secure your system components from overload and short circuits. (SoCal, S. Nevada & Arizona)

finder

Components and accessories for control panels including Industrial Relays, Relay Interface Modules, Solid State Relays (SSR), Monitoring Relays, Relays with Forcibly Guided Contacts, Timers, DIN Mount Thermostats, LED Panel Enclosure Lights and Enclosure Filter Fans.

Rees Inc. offers a wide selection of cable and rope pull switches, lockable emergency stop switches, pushbutton operators, ergonomic palm buttons and double plunger start-stop switches all designed and built to withstand rugged industrial plant environments.

STAHL

THE STRONGEST LINK.

HAZLO/ATEX/EX Rated Automation Interfaces and Solutions (I/O, ISB's), Operating and Monitoring Systems, Control Boxes, Junction and Terminal Boxes, Luminaires, Cameras, Signaling Devices, Plugs & Sockets, Cable Glands, Components and Enclosures.

NOARK

DEFINITION OF RELIABILITY

DIN Rail Miniature Circuit Breakers (UL489 & UL1077), UL 489 Molded Case Breakers, Molded Case Switches & Motor Circuit Protectors, UL 1066 Power Circuit Breakers, Motor Contactors and Overloads, Manual Motor Starters, Definite Purpose Contactors, Safety Contactors and Relays, Pilot Devices

pizzato

Pizzato is a leading manufacturer of position switches, microswitches, safety devices, safety modules, foot switches, control and signaling devices, and devices for elevators.

MENNEKES

MY POWER CONNECTION

MENNEKES is the world's largest manufacturer of pin and sleeve wiring devices (IEC60309), switched and interlocked receptacles, disconnect switches and power distribution products.

WEINTEK

Weintek is a global leading HMI manufacturer and is dedicated to development, design and manufacturing of HMI's. Human Machine Interface (HMI), Automation Control (I/O Modules) and IIoT Solutions (including IIoT Gateways & Communication Bridges)
