

Wiring Devices – Series 60309 Pin and Sleeve
Marine Grade, 100 Amp

Marine Grade 100A.
Ship to Shore Range.

MENNEKES offers 100A Wiring Devices designed to comply with American Boat and Yacht Council standards. Select standard configuration units with PowerTOP Xtra plug and connector housings.

Marine Grade watertight pin & sleeve wiring devices withstand harsh corrosive marine environments with stainless steel hardware, terminal screws and nickel plated machined contacts.
