

THE HUBERT N. WAGNER FINANCIAL AWARD

Friends of Middlebury Football established a monetary graduation award to honor longtime Tiger coach Hubie Wagner. The awards are presented annually to graduating football players who plan to continue their formal education, and have consistently demonstrated the qualities that made Hubie such a special coach.

The recipients of the award must be strong team players possessing special leadership qualities and a desire to succeed. They must also exhibit enthusiasm and good sportsmanship, on and off the playing field.

Dear Friends of Middlebury Football,
thank you so much for awarding
me with a 1200\$ scholarship. Football
to me was more than just a
sport. I made some lifelong relationships
and learned how to put time into
something with max effort over and
over, which I know created part
of the growing work ethic I have.
Thank you coaches, Mr. Rouse,
parents, Lenny, my teammates, and
everyone else involved in guiding
me to success. I will never
forget my Tiger football experience,
and I hope when I'm older
I can give back to the program
in some way and help set the
example that I learned from you
all! Thank you, A former player
