TUESDAY COURSES

WARRIOR WORKOUT

"Hiyah"-"Pow"-"Kablam"-"Kihaa"~however you say it, prepare to have some fun! Kick off your shoes & join us for a fun & exciting martial arts training session like none other. Join 6th degree black belt Master Brianne Norris as we strengthen our minds & bodies. Parents, your child will learn discipline, respect & the keys to staying safe at home, school, with friends & anywhere their feet may take them. Kids, prepare to yell, kick, punch & defend yourself all while having fun with your friends and classmates!!

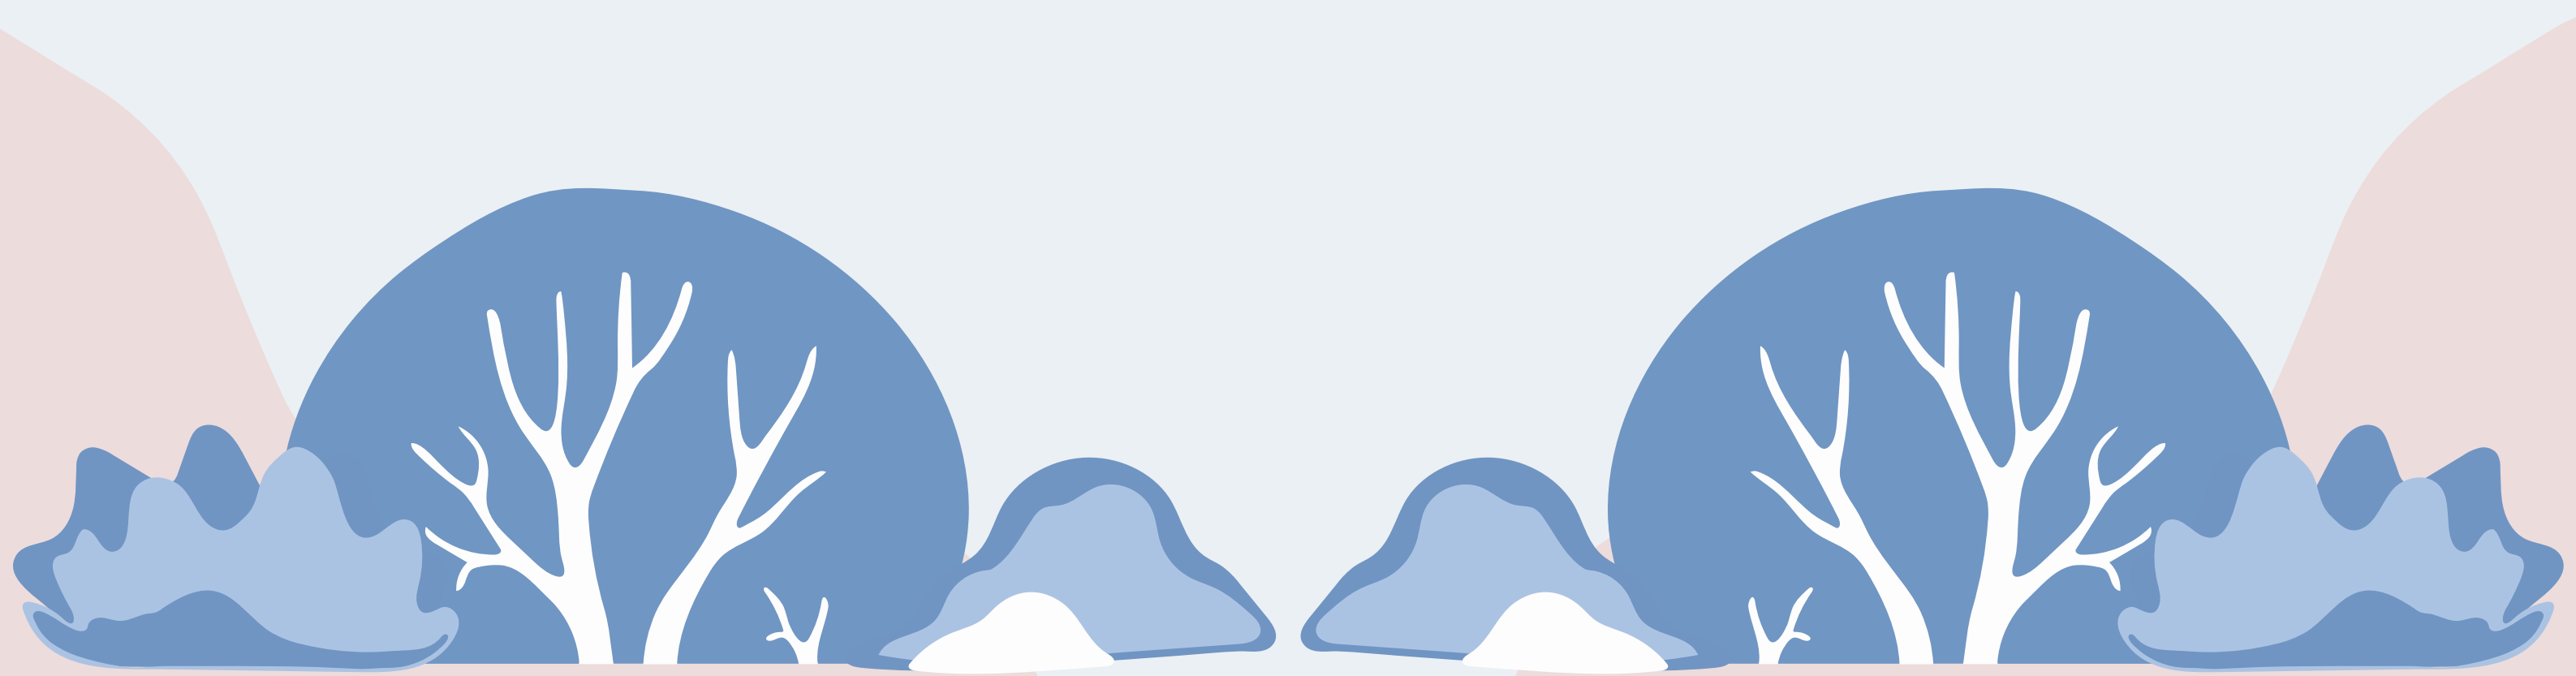

Grades K-5, \$55

PITTSBURGH SCHOOL OF THE ARTS MUSIC CLASS

This hands-on class will explore the many facets of music that Pittsburgh School of the Arts has to offer their students. Students will be able to experience rhythm through movement and through a variety of props. They will have the opportunity to learn how to properly sing, and learn about different types of instruments. The students will also be exposed to the history and theory of music, while being introduced to some of the greatest composers through different educational games.

TUESDAY COURSES

ZENTANGLE

Join Ms. Gray for an art experience & explore the art and meditation of Zentangle-inspired art. We will be using Yoga for Your Brain for Kids by Sandy Steen Bartholomew as our resource. Students will learn how to create amazing patterns, learn how to create depth and interest with shading and (insert deep breath) learn how to relax and enjoy the process of making art. Using a variety of materials, such as micron pens, pencils, water colors, colored pencils, and more. Namaste.

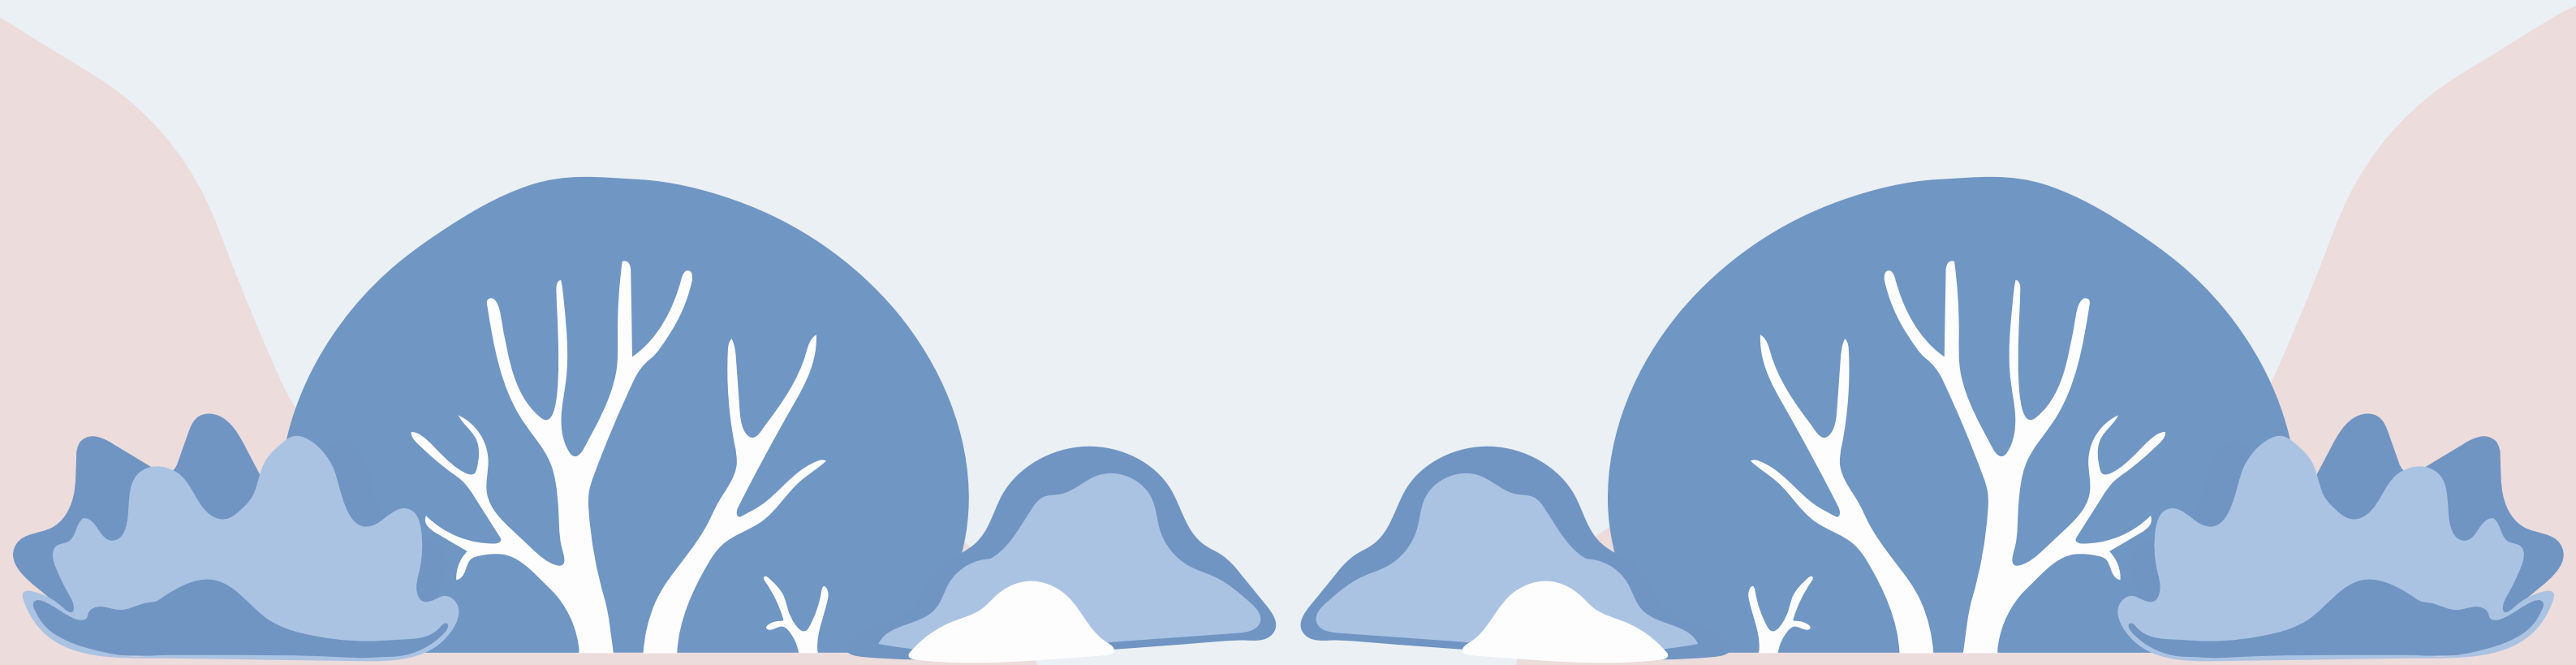

Grades 3-5, \$50

INTRO TO BIOTECHNOLOGY

Biotechnology is a crucial part of this next generation. There are many new and improved treatments and a high incorporation of technology to assist with this. I believe getting the kids interested in this field of science that isn't focused on will help them in the long run. Week 1: Building DNA, Week 2: CSI and its applications, Week 3: Covid vaccine development, Week 4: Dolly the Sheep: recombination of DNA, Week 5: Creating a new organism, biotechnology, or invention. At the end of the 5 weeks, we will work on a project in which they will develop their own technology and lead the new generation of scientists!

Grade 5, \$55

WEDNESDAY COURSES

LITTLE VETERINARIAN SCHOOL (DOG)

After “adopting” their very own plush puppy, students will role play the key responsibilities of a veterinarian, including how to properly perform a nose-to-tail exam. These future veterinarians will learn how to sew stitches, remove ticks, make healthy treats, and vaccinate their dog. Students will role-play the key staff functions performed at a veterinary office and how to keep their “adopted” plush puppy healthy. These future veterinarians will explore digestion, the different parts of the canine eye, animal body language and how X-rays are used to diagnose and treat common illnesses.

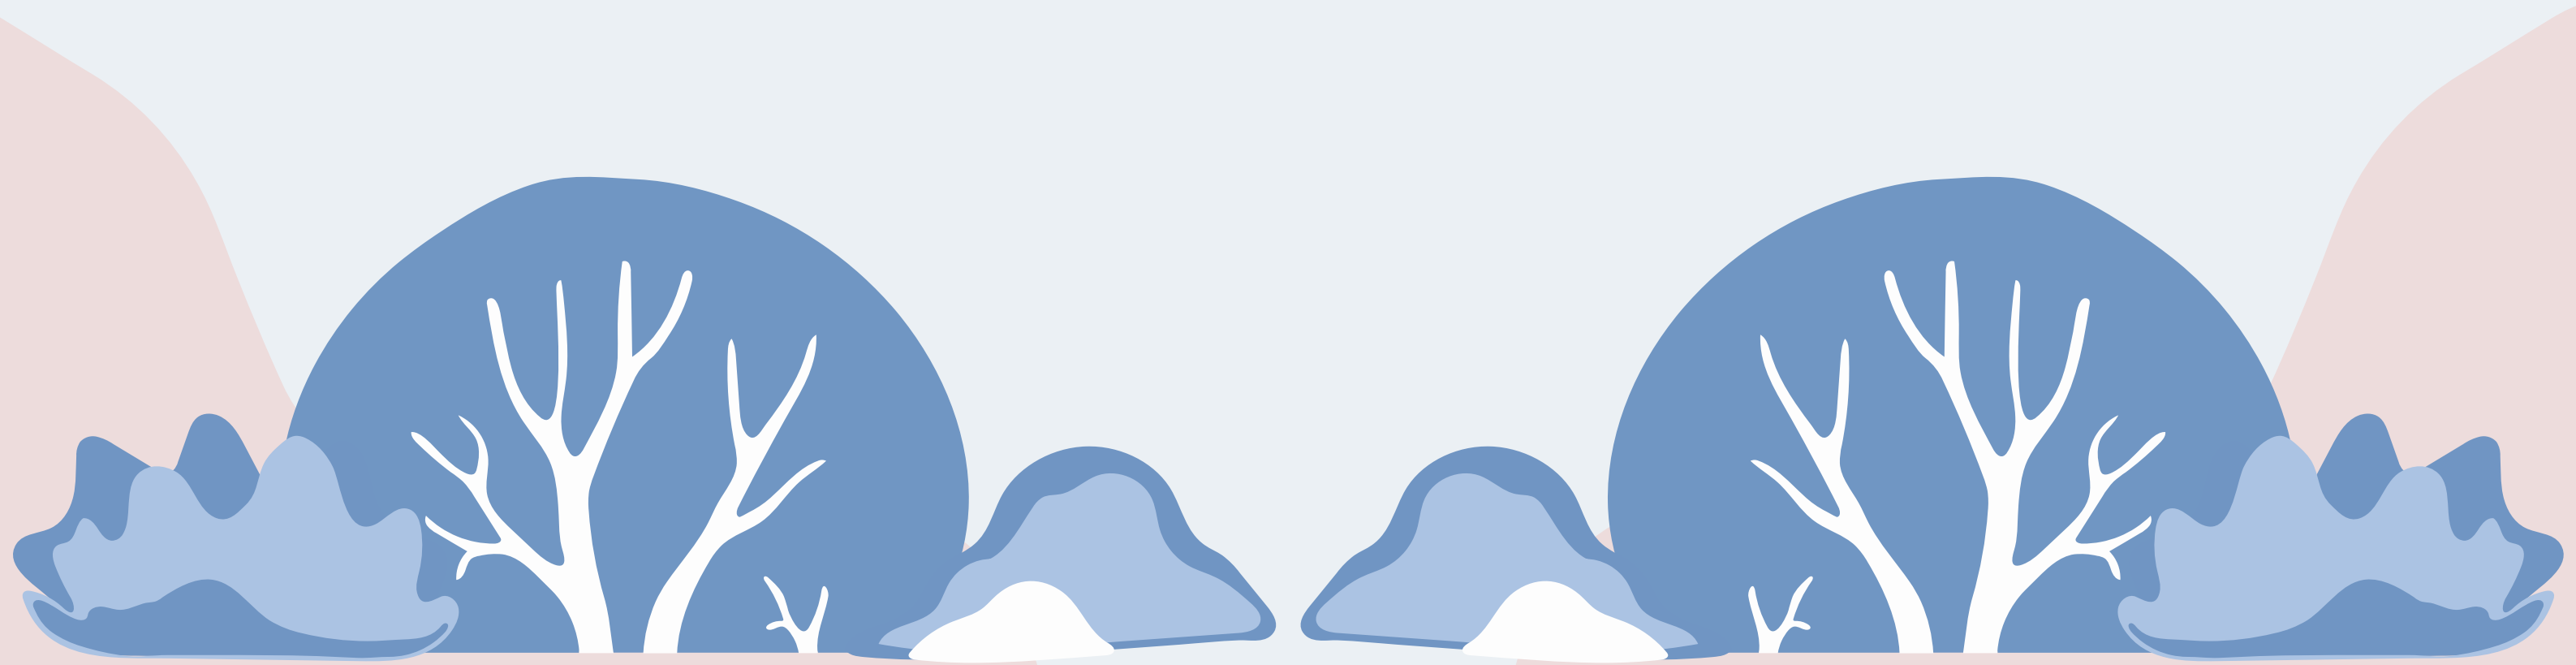

Grade K- 5, \$175

GEMINI CHILDREN'S THEATER

Fun and Games On Stage program which allows for theater games and improvisation scene work, ensuring all students can participate.

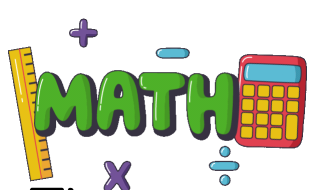

Grade K-5 , \$60

WEDNESDAY COURSES

MATH PENTATHLON

This six-week after-school program strengthens basic math/logic concepts and skills through game play that integrates spatial, computational, and logical reasoning, culminating in a district-wide Game Day with the other FCASD elementary schools. Math Pentathlon is a wonderful way to build gamesmanship and skills in a fun and structured environment. Any child who enjoys board games with friends, learning, and logic puzzles will love Math Pen! Math Pentathlon consists of three divisions; Division I Kindergarten and First grade, Division II Second and Third grade, and Division III Fourth and Fifth grade.

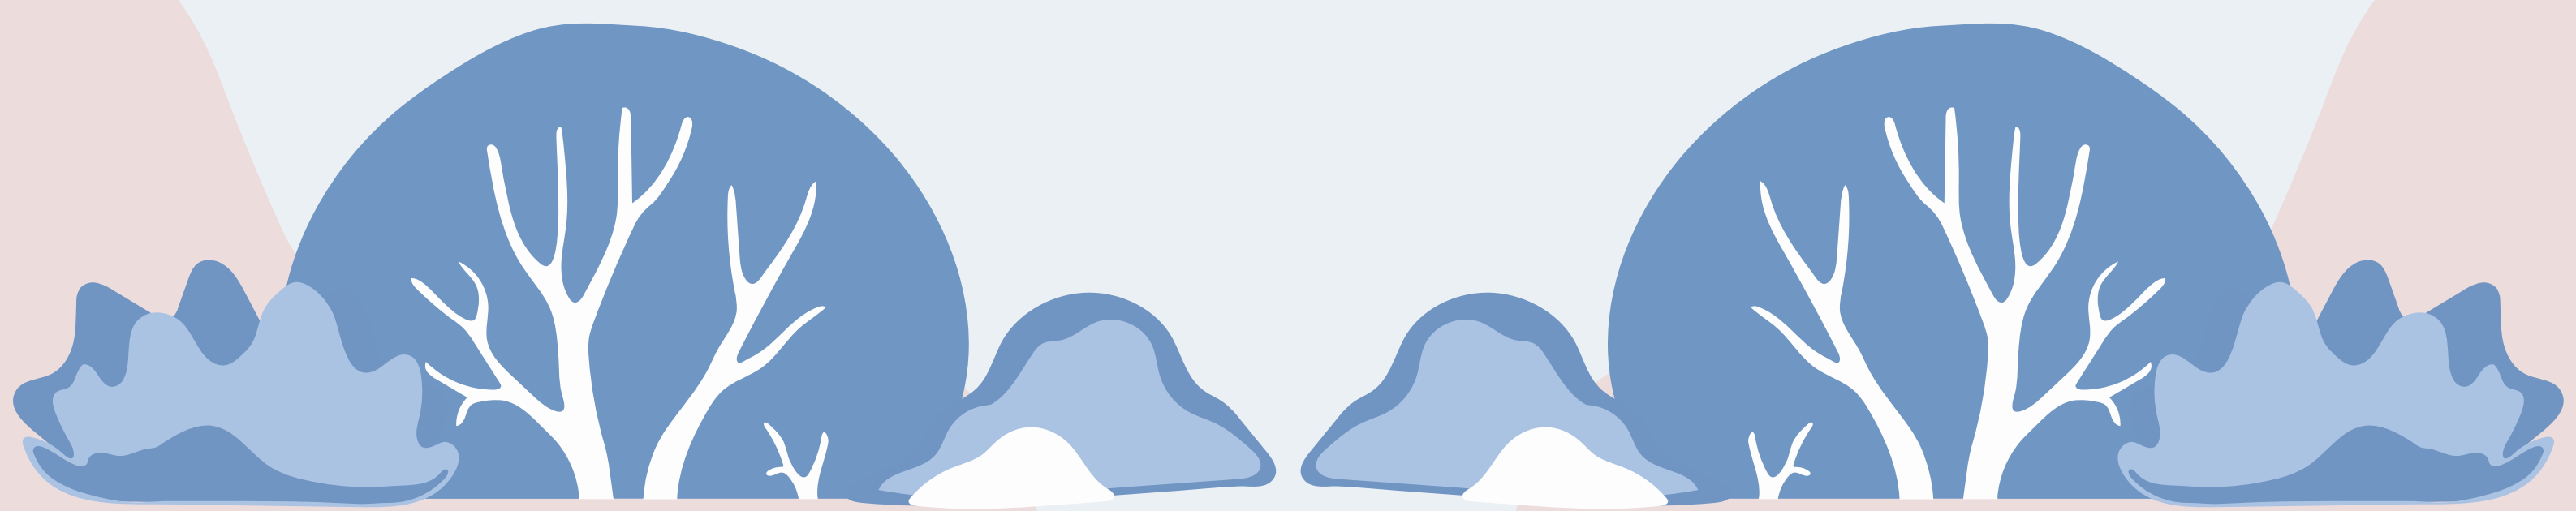

Grade K- 5, \$50

FLOUR POWER

Students will learn the basics of cooking during each after school session. More information to come!

Grade 3-5, \$70

THURSDAY COURSE

EXPLORING BIRDS & MORE

Join us as we explore the nature trail behind Fairview looking for birds and other cool nature finds. We will also make a nature journal to keep track of our adventures. Students should always be dressed to go outside, including BOOTS, WARM COAT, GLOVES, HAT, SCARF, Rain Coat if it calls for rain. Snow pants/snow suits are great if it is cold. Our trail can get muddy.

Grades K-2, \$50

INTRO INTO MYTHOLOGY

Join Ms. Gray on an adventure into the myths and legends of the ancient world. We will learn about the gods and goddesses, myths and monsters of Ancient Mesopotamia, Egypt, Greece and more!

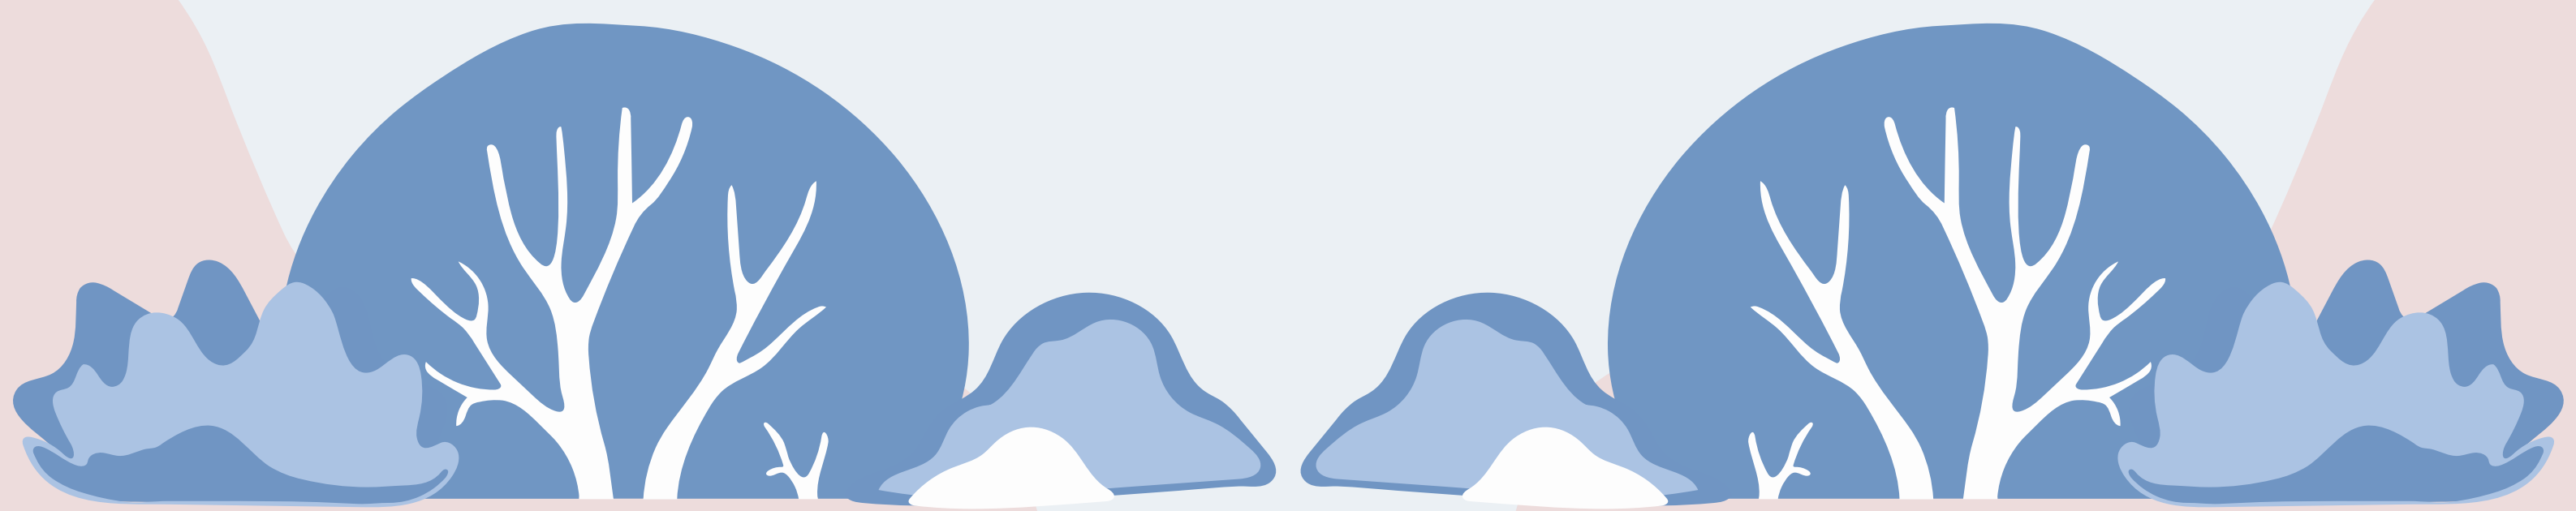

Grade 3-5, \$50

ARTY PARTY

Love Kawaii? Giant eyes, rounded shapes, and simplistic features make this one of the cutest forms of art. Kawaii from the Japanese word for cute is one of the most loved drawing styles that can be found worldwide. Learn how-to draw characters in this Japanese super-cute style with a very easy step-by-step method with Artist Alison Zapata. Projects include: Sketching, Canvas Tote, Shrinky Dinks, Cute Wearable Buttons.
