**PERIMETER HOME HEALTH
ACHIEVES ACCREDITATION WITH ACHC**

Suffolk, VA Perimeter Home Health proudly announces it has achieved accreditation through Accreditation Commission for Health Care (ACHC) for home health services.

Accreditation is a process through which healthcare organizations demonstrate compliance with national standards. Accreditation by ACHC reflects an organization's dedication and commitment to meeting standards that facilitate a higher level of performance and patient care.

ACHC is a nonprofit organization that has stood as a symbol of quality and excellence since 1986. ACHC is ISO 9001:2015 certified and has CMS deeming authority for Home Health, Hospice and DMEPOS.

At Perimeter, Patients Come First. We want to provide the best in-home health care services in the Hampton Roads region. Our mission is to be **Partners** in **Your** Care. We were founded to bring the focus back to the clients and the families we serve.

As part of our goal to be the best, one of the first things we did was to ensure that we were accredited by ACHC. Being an ACHC accredited home health company, we demonstrate our commitment to delivering the highest quality of services to our patients by following ACHC's stricter and exacting standards in order to make sure that we are providing industry leading care.
