VI. **Public Comment:** None

VII. **Division Reports**

A. Administrator’s Report — *the following items are from a written report submitted by Bart Hagston. Contact JCHD for a copy of the full report*
• Reviewed and tabulated BOH responses to the Strengths, Weaknesses, Opportunities and Threats (SWOT) worksheet. Discussed results of staff and BOH SWOTs with Management Team. Providing results of BOH SWOT to the Board at April meeting.
• Worked with Division Directors to push out the marketing & outreach survey for clients and community partners.
• Supported Environmental Health division through revocation of food service establishment permit, a rare occurrence for the department.
• On 3/19, attended open house at the Eurma Hayes Center for JCHD outreach office. Conducted interviews with two TV stations, spoke with community partners about various efforts.
• Working with Nursing Director and other staff to plan for possibility of local measles cases. No cases locally at this time, but outbreak in Chicago and many other states. Taking internal actions to prepare and communicating with partners.

B. HIV & Sexual Health Services — the following items are from a written report submitted by Paula Clark. Contact JCHD for a copy of the full report

• We are serving 199 HIV+ clients with medical case management, and referral services.
• Quality Improvement Project: Viral Load Suppression. Currently, 97% of our clients are virally suppressed. This is our highest ever! Additional treatment adherence sessions are scheduled for those clients who are not virally suppressed. This gives them a little extra support to achieve viral suppression.
• PrEP services are provided with assistance from our contracted PA at SIUFP. Monthly PrEP clinic appointments are busy! We have a client base of about 88 patients. Our PrEP expansion sites at Christopher Rural Health and Shawnee Health are serving patients with PrEP.
• Our (DIS) Coordinator follows surveillance cases and provides partner services for various sexually transmitted diseases, mainly syphilis. In 2023, the total number of syphilis cases we have monitored is 61, including 5 congenital.
• HIV Linkage to Care/Reporting/PrEP/PEP referral presentations are provided.
• The Sexual Health Action Team’s next meeting is April 10, 2024.

C. Environmental Health — the following items are from a written report submitted by Kerri Gale. Contact JCHD for a copy of the full report.

• 78 Routine inspections of facilities, 36 recheck inspections and 3 temporary event inspections.
• EH Staff attended an IDPH plumbing and water webinar hosted by IDPH.
• Implement registration for Med-Project and Inmar Medicine Mail-back Programs.
• Hosted (2) Jackson County Solid Waste and Recycling Public Planning Meetings – in-person and virtual
• Planning Rain barrel and compost bin sale for Spring 2024

D. Health Education — the following items are from a written report submitted by Matt Leversee. Contact JCHD for a copy of the full report.

• Received 48 community responses for Marketing and Outreach Survey, as of 3/25.
• Staff attended SIU-Drug Awareness Conference.
• Staff attended Local Wellness Policy for schools training.
• Attended JCHD-Eurma Hayes Outreach Center open house.
• Interviewed 2 candidates for ISSPAN Health Educator vacancy.

E. Nursing & Family Services — the following items are from a written report submitted by Lisa Quillman. Contact JCHD for a copy of the full report.
• WIC had 922 active participants in January. Our assigned caseload for FY24 is 1215 (up 66).
• We were working at 76% of our assigned caseload in Oct for active clients. (Goal is at least 90%).
• Immunizations:
  o Private purchase doses given in February: 89
  o VFC doses given in February: 16
  o Adult 317 doses given in February: 10
  o COVID-19 doses given in February: 29
  o MPOX doses given in February: 2
  o Sexual Health Clinic clients served February: 1

F. Support Services Division — the following items are from a written report submitted by Chad Hill. Contact JCHD for a copy of the full report.

• Heather is finalizing revisions to several sections of the policy manual that will be presented to the Board for approval in future months.
• Bart, Heather, and Chad met to review possible policy manual changes.
• 174 births were registered in Jackson County in January with 157 in February.
• 59 deaths were registered in Jackson County in January with 69 in February.
• $1,698.00 was collected in walk-in certificate fees in February.
• SINC is planning for the installation of a new main file server in the upcoming months.

VIII. Next Meeting — May 1, 2024 at 6:00 p.m.

IX. Executive Session – None

X. Adjournment — Dr. Comparato made a motion to adjourn. Dr. Ewing seconded the motion. The motion passed. The meeting adjourned at 7:45p.m.
