STAINLESS STEEL RUNNING BOARDS  
S.S.R. BOARDS

The stainless steel running (SSR) boards are constructed of high quality 304 stainless steel with a durable black textured powder coat finish. They have a 7" wide step area with easy no-drill applications for most models. The powder coated brackets come pre-installed for most applications and they are backed with a superior limited lifetime structural warranty and a limited 10 year warranty on the black powder coat finish.
