SET OF 4 FENDER FLARES

These fender flares are the perfect do it yourself upgrade for your vehicle. Stand out from the crowd with EGR's fender flares made from UV protected and OEM approved material. They feature a lightly-textured, black finish that is easy to clean and come paint-ready to be custom painted to match your vehicle. All EGR's fender flares feature a limited lifetime warranty.

OEM

Streamlined fender flares are a winning choice for adding the perfect finishing touch.

BOLT-ON

Make that bold statement you are looking for. Features real stainless bolts for uncompromising detail.

FEATURES AND BENEFITS

- All applications install without cutting or modification to original OEM vehicle parts
- Bolt-on or pocket style cavities pre-drilled for bolt installation
- ISO14000 Environmental standard achieved
- EGR uses "Nylock" locking nuts to assure each stainless steel bolt is secured properly.
- EGR's precision robotically machined hardware mounting location holes leave a smooth finish without jagged edges

FENDER FLARES

RX-RIVET STYLE

LUND's RX-Rivet Style fender flares are the perfect addition to lifted trucks, giving them a bold, unmistakable appearance.

This rivet style fender flare provides extra coverage on trucks with larger wheel and tire packages. Update your vehicle with an awesome, wide-body look while shielding it from road debris. The extra height of the flares is also a great quick fix for covering rust and minor damages on the fender.
