

PAYMENT METHODS

As of 21 April 2022, appointments will be charged as per the new fee schedule. Please note that IPA's fees are still below the recommended Australian Psychological fee of \$267 per hour. Current fees for private paying clients are \$250 per 50 minutes.

How can I make payment?

Payments can be self-funded or paid using NDIS funding (self-managed only) by bank transfer and these details will be provided to you as part of the welcome information pack prior to your first session. Invoices will be provided at the time of session and will also include bank transfer details.

Sessions are required to be paid in full within 24 hours of the session date and receipts for payments will be emailed to you directly for your records.
