The products listed above are all manufactured by Perkins Machine Co. and are normally found in stock on a regular basis. We welcome quotes on these items as well as quotes for other standard MS, NAS & AN nut items. Also, a large part of our manufacturing concerns items that are made to special prints, either from our inventory of prints or from a print supplied by our customers.

We welcome all your quotes and thank you for your interest in our company and look forward to being one of your fastener suppliers.
