ARTICLE VI. QUALIFICATIONS FOR HOLDING OFFICE AND METHODS OF SELECTING AND REPLACING OFFICERS*

Only registered UCSD students may hold office in the organization. Only registered UCSD students may vote in elections for the selection of the organization's officers.

Holding office is strictly an act of organization. Officers are by no means in a hierarchical position. Officers are responsible for their duties from September to September. They must be registered students at UCSD both to hold office and to vote for office members. They must be at all times open to suggestions from the body and willing to work in conjunction with the rest of the officers. All officers should welcome input and effort by other members and should uphold their corresponding responsibilities. If an officer fails to fulfill his or her duties, or acts against this constitution, she or he is subject to impeachment. All decisions must be communicated to and approved by the majority of the body(half plus one of members present at the time the decision is presented). If an e-mail is to be sent out regarding decision-making, a window of 24 hours should be allowed for responses; after that only the input of those who replied will be considered as members present. Officers should consult with the finance officer before making a decision that requires expenses. Those holding office hold a great responsibility in making the group function. Keep in mind this responsibility, for you are the key to its organization; and also make sure that the members are having fun.
