

## **Cooked Playdough**

(soft, and lasts well)

1 cup flour

½ cup salt

2 teaspoons Cream of Tartar

1 cup cold water

1 Tablespoon salad oil

Food coloring

In a sauce pan, mix dry ingredients together. Mix in water & oil. Add food coloring to desired color. (It will darken as it cooks.) Cook over medium, heat stirring constantly until it thickens and looks like mashed potatoes. Let your child watch this change from a liquid to a solid as you stir. It's fascinating!! Cool in airtight container or plastic bag with air burped out.
