

Thank you so much for supporting Jacob's Closet & Emerald Mission. Your donation goes directly to support people in need. We have identified a population in our local community who lack basic resources such as clothing, blankets, and hygiene supplies. We provide new and gently used clothing to local behavioral health facilities and homeless facilities in the Kansas City area. Can you imagine not having shoes or a coat in the Kansas City winter months? We are dedicated to serving this need, in Jacob's honor. We would love to EMPOWER you to do the same.

#keepdoinggoodinthisworld

Welcomed Donations:

It's very important to provide new (or gently used) clothing to the patients. We ask you to donate new undergarments and socks. If possible, please bag belts, scarves, and ties separately. Please contact jacobsclosetem@gmail.com ATTN: Michele to arrange for drop off.
