At this moment...Huge battles continue across Ukraine but the most critical is the one for control of Kiev, capital of the country.

Astonishing how well the outmanned Ukraine army and citizens are fighting to defend their homeland.

We have Christians trapped in Kiev who have been in crowded shelters now for over 48 hours. We're having less contact with some because their cell phones are out of power.

But I did just hear from my courageous friend [Julia Ovdienko](#). Please see her earlier amazing post. She's still in an underground place and hearing explosions in the distance... What a nightmare...but what a remarkable example of unshakable faith our friends like Julia are... despite this war from hell.

Thanks for your continuing prayers and generosity on behalf of God's family in Ukraine.

Kiev, Ukraine this summer. A happier time...

I spent all night and day in the sanctuary. and here I really come to the point of how unimportant everything is (read to the end) 😊 ... And now I don't complain or bend at all. I can't completely believe what's happening. When I was packing all the necessary things, everything fits into one backpack, and it turns out who needs these beautiful clothes, cool earrings, or expensive shoes, etc. d. I wasn't so scared in 2014 in Donetsk, how scared I am now... And now all kinds of conclusions come to mind... And here you go. One of the most important and important things is relationships, we must build good, strong, faithful relationships with God and people.. I hope this war ends soon and I really wish it was some kind of stupid dream or matrix failure 😊 And I'll delete this post. And now I am very scared and worried... Prayers please 🙏🙏 Thank you for your calls, texts and support. This is so precious! I love you guys! God is with us! ❤️ Isaiah 41:10 "Do not be afraid, for I am with you; do not be dismayed, for I am your God; I will strengthen you and help you, and will uphold you at the right hand of My righteousness."
