Psalm 10 - Warnings to Warmongers...

In pride the wicked hotly pursue the afflicted; let them be caught in the plots they devise (v.2).

For the wicked boasts of his heart's desire, and the greedy curses and spurns the LORD (v.3).

The wicked in the haughtiness of his countenance, does not seek Him. All his thoughts are, "There is no God" (v.4).

He says to himself, "I will not be moved; I will not be in adversity (v.6).

He sits in the lurking places of the villages; in the hiding places he kills the innocent (v.7).

He crouches. The unfortunate fall by his mighty ones (v.10).

Arise, O LORD; O God, lift up your hand. Do not forget the afflicted. Break the arm of the wicked (vv.12,15).

The LORD is King forever. Nations have perished from His land (v.16).

O LORD, you have heard the desire of the humble; You will strengthen their heart. To vindicate the orphan and the oppressed. So the man who is of the earth will no longer cause terror (vv.17-18).

And to think... some believe Scripture has no relevance.
