

#### DIVISION 4. LITTERING

---

##### **Sec. 25-141. Owners, operators, lessees and employees of drive-in establishments to prevent accumulation of rubbish on premises or in the street.**

The owners, operators, lessees and employees of all businesses engaged in on-premises or off-premises service or who make deliveries of goods to customers in parking areas adjacent to the streets of the city, shall see to it that the wrappings, containers and other papers which enclose or accompany such goods are not thrown or deposited or allowed to blow upon the premises of such business, the streets of the city or any other premises. If any wrapping, container, napkin, straw or other accompanying paper or trash shall accidentally fall or blow upon the streets of the city, the premises of the business or any other premises, the owners, operators, lessees, and employees of such establishments engaged in such service shall be jointly or severally responsible with the customers thereof for the immediate removal of the wrapping, container, napkin, straw or accompanying paper or trash from the street.
