

Dear Jon

Ref: 9976

Title: An international survey of temperature monitoring and management in burns patients undergoing surgery

Thank you for submitting your ethics application for the above-named study. The Chair of the Faculty of Health Science Research Ethics Committee (FREC) has reviewed your ethics application and we can confirm that your ethics application has received a favourable ethical opinion.

Please note that the Faculty of Health Science Research Ethics Committee (FREC) expects to be notified of any changes or deviations in the study.

For your reference, your ethics approval code is '9976' and details of your online ethics application can be found <https://orems.bristol.ac.uk/Project/Index/10048>

If you have any queries please contact research-ethics@bristol.ac.uk

Yours sincerely

Dr Vikki Wylde

Faculty of Health Science Research Ethics Committee (FREC)
