Dear Parents,

Keeping you informed is a top priority at St. Peter's Lutheran School. That is why we have adopted a message service which will allow us to send a telephone, text, or e-mail message to you providing important information about school events or emergencies. We anticipate using this program to notify you of school delays, early dismissals or cancellations due to inclement weather, as well as remind you about various events. This system will also be used in the case of a dire, school-wide emergency.

The successful delivery of information is dependent on accurate contact information for each family. Please make certain that we have your most current phone numbers, cell phone information if you desire texts, and e-mail addresses by completing the form at the bottom of this letter and returning it to the school office as soon as possible. If this information changes during the year, please let us know immediately.

We are pleased to have this service as a tool to improve parent communication. Please do not hesitate to call the school if you have any questions regarding this communication.

Sincerely,  
Dr. Larry Wooster,  
Principal
