stocks-dividends

bonds-interest paid per  
quarter

cryptocurrency

start up businesses-stake in  
company

real estate-rental income

rights to music-royalties

*cont'd p.7*

**build by**

assets over liabilities

portfolio that is well balanced and  
generating cash flow based on right  
source of information

Education is the key to successful  
investing and passive income

Numbers and the law don't lie

**save to invest to build all comes down to**

knowing the services you like to provide and  
staying ahead of the competition.

being prepared for risks by accepting all  
challenges

understanding financial statement(profit  
margin
