*Call to Celebration*

One: The Glory of Life is not that it endures forever, but that, for a time, it includes so much that is beautiful.

Many: It is a tree to those that grasp it, and happy are all who retain it.

One: Its ways are rising tides of turquoise, and all its paths are peaceful.

Many: We will not linger, but will live life to the fullest.

One: To live life and embrace what is good, what is beautiful and what is true.

All: The glory of Life is Love. Unending.

# *Pupil of Place*

By Drake Norup

Where is home if not with family?  
Where is love if not lost when alone?  
Where is faith if hope does not exist?  
Where is beauty if you have sore eyes?  
Where is gratitude if misunderstood empathy?  
Where are smiles with a dark past and no braces?  
Where is here and now if time is wasted?  
Where is thought if not with God?

# *Appreciation*

Words cannot express how thankful we are for the many expressions of care and compassion you provided us during this most difficult time. We are truly grateful for your love and support.

May God Bless You and Keep You!
