

2022 RFM IEEE INTERNATIONAL RF & MICROWAVE CONFERENCE

KUALA LUMPUR, MALAYSIA
DECEMBER 19 - 21, 2022

CALL FOR PAPERS

CONFERENCE TRACKS

- Active Devices and Circuits
- Passive Components
- Field, Device, and Circuit Technologies
- Systems & Applications
- Antennas and Propagation
- Emerging Technologies and Applications

IMPORTANT DATES

- 27 July 2022 Full Paper Submission Deadline
- 17 Oct 2022 Notification Of Acceptance
- 9 Nov 2022 Early Bird Registration
- 23 Nov 2022 Deadline Submission Of Final Manuscript
- 23 Nov 2022 Normal Registration Deadline

SUBMISSION

- **Please submit full papers at** <https://edas.info/N29806>
- **More information, email us at** contact@apmttemc.org
- **Website:** rfm2022.apmttemc.org

ORGANISED BY

The IEEE Antennas and Propagation, Microwave Theory & Techniques and Electromagnetic Compatibility (AP/MTT/EMC) Joint Chapter, Malaysia is organizing the 7th IEEE International RF and Microwave Conference (RFM) in Kuala Lumpur on December 18-20, 2022. The aim is to provide a platform to professionals, researchers, academicians, and industries to share and generate cutting-edge applications, challenges, and issues in the area of RF and microwave.
