Committees:

Lane Leaders: John Petry has several returned envelopes of the annual letter, which will be distributed to respective lane leaders for follow-up.

Buoys: Flags and buoys have been placed. It was mentioned again replacement for buoys to be decided this fall.

Spraying: Weed spraying has been completed; second spraying for private areas that no date has yet been set. Starry Stonewort's first spraying scheduled for July, with the second spraying to be approximately three weeks later. Spillway channel and state launch site have Purple Loosestrife, which is a very invasive weed. Getting quote for spraying from Banfield Aquatic.

New Business:

Log noted in front of spillway, DNR contacted to no avail. Jim Miller to contact DNR again.

It has been mentioned by some residents a desire for a Jimmerson Lake directory. This requires numerous volunteers. Those interested in organizing the project, please contact JLA. Current members have volunteered for years, and we really need new members to help our organization.

Lakes in the area have money-making events: garage sales, poker runs, etc. This too requires numerous volunteers. Anyone willing to organize a committee to pursue this project, contact JLA.

JLA would like to encourage residents to come to the meetings the second Saturday of every month, at 8:00am in the Pleasant Township building. Ideas are needed for Jimmerson Lake. To move forward, volunteers are needed to continue the lifeline of Jimmerson Lake. Please join us and volunteer your expertise for Jimmerson Lake.

Old Business:

Congratulations to Ginger Cobb, winner of drawing \$1000.00 of gas!!

Questions have been asked about stump removal. Note: numerous stumps were removed during dredging of lake. Flags denote stumps, also shallow areas.

Meeting adjourned 8:45 a.m. Next meeting July 8, 2023 Pleasant Twp. building
