

April 8, 2023 Meeting Minutes

Meeting was held at Pleasant Lake Township Trustee's office and was called to order at 8:00 am. Those board members present were Doug Desserich, Ken Erlenbaugh, Bill Heckley, Tim Knoblauch, Jim Miller, Jodi Moreland, Eriqie Paradis, and John Petry. JLA members Larry Wozniak, Marty McHugh, Ryan Welch, and Joe Knapke were also in attendance.

The minutes of the September 10, 2022 meeting, as well as the March 31, 2023 treasurer's report, were approved. Jodi reported that as of this date, we had 242 paid memberships for 2023.

Jim Miller reported that we received a small grant from the Indiana DNR from funds leftover from the 2022 grant cycle to spray invasive weeds in the common areas. No new grants were approved for 2023. He also stated that the DNR may limit the amount of weed spraying done on the lake. It was noted that some of the weeds have been greatly reduced; therefore, the need as determined by the DNR is less. However, he did say that we are scheduled to receive spraying from a federal grant for the invasive starry stonewort, which will be done at least twice this year.

Doug and Ken reported that they would be installing buoys, and flags soon to mark channels, stumps, wetlands, etc. They are always looking for help to install and remove them each season. If you would like to help, please contact Ken Erlenbaugh.

Meeting was adjourned at 9:00 am. Next meeting is Saturday May 13th at 8:00 am.
