

## August 8, 2020 Meeting Minutes

The JLA August 8, 2020 annual meeting was held at Club Paradise with the following 18 residents in attendance:

Doug Desserich	Randy Lehman	Erique & Lori Paradis	Dave & Jean Sweigart
Jim & Cheryl Horstman	Martin McHugh	John Petry	
Tim Knoblauch	Jim Miller	Cheryl Schoppelry	
Ted & Ginger Koehlinger	Jim Moring	John & Barb Stirlen	

Meeting was called to order at 8:04 a.m. Guest speaker Scott Banfield, President of Aquatic Enhancement & Survey, was first on the agenda and discussed the following:

- Milfoil and Starry Stonewort continue to be problematic. Milfoil is down to approximately 4 acres, but Starry Stonewort covers approximately 100 acres.
- Purple Leaf Strife is another invasive plant growing around shorelines. It can be sprayed with Roundup if on your property.
- Phragmites is a tall grass with a large tassel growing 8-10 feet. This too is extremely invasive in wetland areas. DNR permits treatment every year.
- Mr. Banfield suggested looking at the LARE website and various links for further information.

Treasurer's report and minutes of July meeting were approved.

### Committees:

**Weed Spraying:** The second spraying of Starry Stonewort will be [8/20/20](#) weather permitting. Of the 100 plus acres that is covered with Starry Stonewort, we only receive 30 acres in a Grant and that is all we have sprayed. We will try and move the spraying next year in other areas. Phragmites will be sprayed this year for the first time. If it comes back, we will have it sprayed next year. JLA has requested an estimate from Mr. Banfield to treat Purple Strife.

### Old Business:

The floor was opened for appointment of new board members with no new volunteers; therefore, board members remain same for another year. Election of new officers was proposed with all JLA officers remaining the same for 2021.

Erique Paradis volunteered to audit the treasury books, which JLA bylaws require yearly. Erique reported no discrepancies. JLA expresses gratitude to the tireless efforts of our treasurer, Jean Sweigart.

### New Business:

JLA voted to suspend meetings from September through March of 2021. Meetings will resume [April 10, 2021](#).

Meeting adjourned at 9:10 a.m.
