

May 8, 2021 Meeting Minutes

Meeting was held at the Pleasant Township Trustee's office at 8:00 am. This will be the location of all future regular meetings.

Those in attendance were Doug Desserich, Ken Erlenbaugh, Bill Heckley, Tim Knoblauch, Marty McHugh, Jim Miller, Jim Moring, Eriq Paradi, & John Petry.

The treasurer's report was emailed to members & was approved.

Jim Miller reported that Aquatic Enhancement would begin spraying the common areas for Eurasian Milfoil & individual properties that paid for weed spraying toward the end of May.

Tim reminded everyone that Jean Sweigart will be resigning her treasurer's position at the August annual meeting. This is an important position for the organization so President Tim Knoblauch asked everyone again to consider serving in the position or recommend a good candidate.

Doug & Ken installed flags & buoys around the lake including the former island area.

Still looking for someone to create, **manage & maintain** a Facebook page & other social media sites. Again, we are looking for volunteers.

Our next meeting is Saturday June 12th at 8:00 am. The drawing for the \$1,000 prize from our annual raffle will take place at the meeting.

Meeting adjourned at 9:00 am
