

September 9, 2023 Meeting Minutes

The following residents were in attendance at the September JLA meeting held at the Pleasant Township Building:

Doug Desserich	Ted Koehlinger	Jodi Morland	Mark Seiler
Bill Heckley	Ginger Koehlinger	Eriq Paradis	John Stirlen
Tim Knoblauch	Jim Miller	Liat Peters	

Meeting was called to order at 8:00 am. Minutes and Treasurer's reports were accepted;

Committees:

Spraying:

- Purple leaf strife spraying is complete. This was a trial spraying to see if it is effective in killing it.
- Phragmites sprayed
- Second spraying for Starry Stonewort is not done. No federal funds were received.
- Next April JLA plans to have Scott Banfield give a report as to how the test spraying worked on purple leaf strife and phragmites. At that time a decision will be made if further spraying should continue.

Buoys:

JLA made the decision to purchase 12-21" round orange balls, approximate cost \$700.00. Chain and cement blocks also will be purchased. It was suggested to choose several dates as to when buoys could be removed. This would allow those offering to volunteer time to plan the dates.

New Business:

- A DNR permit **is required** to dump anything into the lake, e.g. gravel or sand.
- JLA will apply for a dredging permit this fall.
- Several complaints were received for excessive speed in the channel. This topic has been addressed with the DNR without response.
- Volunteers continue to be needed. The annual newsletter will address this issue.
- Information for annual newsletter needs to be submitted to Bill Heckley at bjheckley@aol.com by December.

This is the last meeting until April 13, 2024. Meeting was adjourned at 09:10am
