The Community

Parkway Neighborhood Association (PNA) would like to keep you informed with the latest happenings in our community. So whether you are new to the neighborhood or have lived here for several years, we hope that this newsletter will be a valuable resource for you. *Check out the new look for the Parkway website with added information pages.* •City Resources• <https://www.cabq.gov/>

Entryway Landscape Enhancement Project

The entryways are having landscape maintenance and enhancements that started in September 2023.
Thank you Bernalillo County and Albuquerque Community Foundation.

Neighborhood Outreach Grant Program

Entryway Caretakers

PNA decided to initiate the Caretakers Team for currently maintaining the entryways and common areas. Less time is spent and the upkeep is easier when these areas are routinely maintained on a monthly basis and not neglected. Go to the CONTACT page on PNA's website and submit your interest to keep these areas presentable.

Subdivision Trees

Dead trees are hazardous. Please inspect your trees especially those next to the streets, and trim or remove the branches that overhang from the property walls and fences.

Membership Campaign and Donations on Parkway's Website Year 2024

Supporting PNA is one step to achieving our common goals for our community. Becoming a member is **FREE**. Donations help us operate the Association and maintain the common areas and entryways. Donate any amount you can afford. Your contribution is always greatly appreciated! [Website Donations Page](#).

Interim New Board Members

V.O. Michael Shynkar- Interim President/Treasurer PNA

Elena O'Donald- Interim Secretary PNA

• Filling in the board positions is steadily making progress. There are several property owners who expressed an interest to be part of the Board membership. In the meantime we are effectively operating PNA and maintaining an active status with the City's Office of Neighborhood Coordination (ONC). As in any association, it does require your support to accomplish a purpose and direction.

**VOICE BOX**

PNA receives emails regarding all sorts of issues in our neighborhood. Most of the answers to those emails and phone calls can be found at www.cabq.gov/311

If you have questions or concerns, please let us know. We will keep your reported issues confidential and assist you in outsourcing the problem to the City of Albuquerque's available resources. Contact us by sending an email to: parkwaypoint@yahoo.com

New Page Added on ParkwayNA.com called 50+ CORNER

This page announces events for the 50+. *It also includes eventful happenings for all ages.* Local and surrounding area events are announced through several website links. Some of these websites have calendars to select the events.

Check out the 50+ Corner. You might find something interesting to do or attend.

Treasurer's Report

We encourage every Parkway household to join the Association. The membership is free. A membership form is all that is needed to join. Click on the CONTACT page on the PNA website for your interest and a membership form will be sent to you to the email address provided.

To operate an association, donations are the main source to keep the association running. Parkway Neighborhood Association has annual expenses that include a newsletter, website, subdivision projects such as purchasing weed control products, and maintenance supplies for the common areas and entryways.

You can donate any amount you can afford on line with a credit or debit card through PayPal. Go to the DONATIONS page on the PNA website.

Dead Trees

The dead trees along the streets are long overdue in cutting and removing them. It is the property owner's responsibility to remove dead trees. *The City of Albuquerque will not come out and remove the trees on your property.*

To determine if a dead tree is on your property or tree pruning is required

According to the City ordinance, your property line extends to the street curb in front, on the side and behind your home. If your property is on a corner lot and/or backs up to a street, you are responsible to remove or prune those trees.

Neighborhood Crime Watch

This program is offered through the City of Albuquerque for the purpose of deterring crime-related incidences on your block.

Each subdivision's block forms a Neighborhood Crime Watch program.

Currently, several blocks in Parkway have implemented this program and it is noticeably

effective. PNA recommends this program for the community. It is easy to start without having complicated forms to fill out with the City. To become more familiar with this program, select the link below for more information.

Properly Recycle Your Items and Dispose of Your Trash

Many of us recycle. However, sometimes it can be confusing to know what to put in your recycle bin and what should go in your trash bin.

Place these items in your blue recycle bin:

- Paper/Newspaper
- Magazines/Junk mail
- Corrugate Cardboard
- Brown Paper Bags
- Cereal and Cracker Boxes
- Milk & Juice Boxes
- Aluminum cans/tin cans
- Foil & pie pans
- Books/Phone books
- #1 & #7 Plastic Bottles
- Paper Egg Cartons
- Small Appliances

Place these items in your black trash bin:

- Yard waste/Wood
- Pizza Boxes
- All Plastic bags
- Garbage /food

GLASS RECYCLING

DO NOT put glass in your blue recycle bin. Glass can be recycled in the designated yellow bins at one of Solid Waste's numerous drop-off locations
