# United Women in Faith

The Chino UWF continues to switch from field trips to organizing every other month. In May we took a field trip to the Cooper Museum in Upland with a bonus trip to the farmer's market. In June we continued our re-organization of the social hall kitchen. We found two complete silver-plated tea sets, as well as an overabundance of all kinds of large food gathering accessories. Our hope is to pare some of this down and have a garage sale. Church goers: we would like to offer up some of these items to you! The tea sets have been claimed, but there's much more to clear out. Will you be having a summer get-together? We may have some supplies for you! Please see one of our UWF members and we can assist. We have LOADS of sherbet bowls, small glasses, individual sandwich/punch trays with matching cups (glass), and so much more. If you choose to take some items, please check with a UWF member first. We'd like to see some members\church-goers get some things for themselves, but ultimately we'd like to use this to raise money for our mission work. Although it's not required, please consider making a monetary donation to the Chino UWF.

### ***Music in the House!***

Yes, you read that right! Nothing is set in Stone yet, but know that we are working On bringing live music, including a part–time Choir, back to the sanctuary. For now, please Keep this topic in your prayers. If you are Interested in being part of this ministry (singing, instruments, or anything related), Please see Kim Radford.

### ***Church Website***

Our church website has been handed over to Jennifer Hampton. She has been working hard To keep it updated, relevant, and eye-catching. She was able to add in a gallery for pictures, Including a section for “In Memoriam” (still being updated). Please contact her or the church Office if you see a problem, have an idea for it, or even want to contribute something!

Our website is: <http://www.chinoumc.org>

### **Did You Know?**

A while back, someone mailed one of the Commemorative plates to our church. We had a return Address, so Jennifer Hampton wrote to thank her and Ask where it came from. The woman who sent it has No connection to Chino, but she did see it in an antique Store in Idaho. She decided to buy it and send it back To its home. It was later learned from Carol McFarland That these commemorative plates were given to those Who got married at the church! Some couple got one, then Moved to Idaho. The plated is not displayed in the social hall.

# MEMBERSHIP

The Membership Committee recently met to Update paperwork and our directory, and to Create an official running roster. If you don't Have a copy of the directory, please contact

The church office and our office manager, Lupe, will send one out to you. If you have one, Please look it over. Is there an asterisk by your name? That means you attend, but not a "member." Do you want to be a member? If you were a member at a previous UMC, you can Just have your membership transferred. If you want to become an official member, then all you Have to do is ask the pastor, Rev. Amy Yoon, and she'll get you set up! There has been some Discussion of either having a membership class or series of sermons that would work as member-Ship classes. Consider yourself invited to be an official member!!! If you are reading this and NOT In our directory, please contact the office and let's get that corrected! If you are in the directory, But no longer want to be, please contact the office so we can keep things up-to-date. It is one of Our requirements as a chartered UMC to have updated records.

## Church News

### Articles for the Tidings

We always need articles for the Tidings. Would you be Willing to send a little bio of you and/or your family?

We'd love to get to know more of you a little better. The

Choir did this a few years ago, and it was fun reading about the members. If you'd like to contribute, Send a shor write-up to the church office and Lupe can publish it. You can also contact Jennifer Hampton, who can help with this (being a retired English teacher, she does miss doing things like This.) She'd be happy to call or meet with you to conduct an interview and then write up something.
