*Laity Sunday*

Laity Sunday celebrates the ministry of all Christians to love God and all people. On Laity Sunday, we lift up the vocation of all (lay and clergy) to follow Jesus Christ and lead others to him. As we welcome and offer the good news of Jesus' love for all, we know that the most engaging opportunities to grow deep and wide in our faith come from relationships with those beyond the comfort and security of our church walls. The stories and situations of those struggling with fear, loss, trauma, and injustice – as well as freedom, joy, and delight – become altar calls for the wholeness and holiness work of justice, mercy, and reconciliation. This is the ministry of the “all called,” the laity. This is relational discipleship and participation in the mission of God. Therefore, we will go (with hope) through engagement!

Your Chino United Methodist Women are still around!!! A pandemic won't keep us down! One day, while cleaning out some cupboards, I came across some old "Women's Home Missionary Society" journals of minutes from 1911! Yes!!! 1911-1918 in one book, and several others going back to the '20s! It was an incredible

Here's a brief update on what we've been doing:

- We met on Zoom for several months
- We have now had two meetings at homes of members and the latest one at Corky's in Pomona (delish!)
- We continue to bring in some money through our pledges and donations that help us to make our obligations to the larger UMW (district, conference). All this goes to help others, which is our mission.
- We will have had a field trip on 9/23 to Chino Old School Museum.
- We will have a field trip in November to the Claremont Craft Show/Pilgrim Place on 11/12/21 at noon.

All are welcome to attend our meetings (even the ones at restaurants! We had 2 guests --spouses-- join is at September's meeting. Only women may join and vote, but everyone is welcome (Google it to see why, or go to the UMW website to learn more.)

Our next meeting will be October 10th at 1:00pm for lunch at Corky's Bakery and Kitchen in Pomona. We hope you will join us! Please let Bobbie Lane know if you plan to attend so that we may reserve an area when we first arrive.

## Trustees Report 9/17/2021

Trustees and Church Family members have been busy during the COVID-19 pandemic caring for our church facilities.

Larry and Carol McFarland created a mail box opening and installed a mail slot in the church office exterior wall. Our mail reception is now secure.

Larry and Carol have done toilet repairs.

Larry and Carol also replaced the air conditioner in the Pastor's office.

Two well-attended work days in July resulted in deep cleaning of the church building including the Pastor's office, and cleaning up the area around the Social Hall. Choir music was also put away, and the smoke alarms replaced. Many thanks to all who contributed!

Church HVAC filters were replaced.

A parking lot work day trimmed vines and weeds, and cleaned up trash.

The Moffitts and Adams placed pool noodles under the church exterior doors; they reduce the amount of debris blowing under the doors.

Weekly church sanitizing is being done courtesy of Sue Rhodes and Margaret Hogarth.

Social distancing measures and COVID-19 related signs have been put in place throughout the church building and entry walkway.

Sorting and cleaning has been started, particularly in the Choir Room.

Weeding and trimming is being done around the church.

The lawn care company is doing a good job.

The latch and lock on the church basement access door were replaced. The key is in the key cabinet.

The keys in the secretary's desk drawer were sorted, and, where possible, labelled.

Dan Bentley donated cleaning supplies for sanitizing the church and they have been put in use around the church building.

The cleaning tracking sheet was updated to include COVID-19 sanitizing.

Trustees are exploring the possibility of installing solar collectors on the church property. We have sent our Southern California Edison bills for 2019-present to the solar broker and will have an informational meeting soon. If you would like to be present at the meeting, please let Trustees know.

The Gas company came and checked out the gas smell in the Social Hall, which came from the kitchen stove. He said that there was no problem with the valve on the stove; the odor we smell is because there is a small bypass that happens, but no leak and because it is closed up and not in use it tends to smell. He turned off the gas to the back bottom of the stove towards the wall (yellow) he said when we are ready to use the stove all we have to do is turn on the knobs and light the burners.

After debate and negotiation Trustees approved a T-Mobil proposal to symmetrically expand the antennae on the bell tower.

Southern California Edison was called about the pine tree touching the wires in the church alley. Edison said that those are communication lines that do not belong to Edison. There is no high voltage running through those lines and they are insulated. They recommended contacting communication companies like internet or cable television for further exploration. The pine tree is also touching the front of the church building. We will need to take care of that.

Recent rental maintenance:

8/23/2021: \$185 to unclog the master sink at 12594 Monte Vista Ave.

8/23/2021: \$525 for a new kitchen faucet and ceiling fan at 12923 6<sup>th</sup> Street.

9/15/2021: \$745 to clear a kitchen sink line and replace the garbage disposal at 12923 6<sup>th</sup> Street.

Trustees are in need of an additional member. This person must be a member of the church and male according to church discipline. You don't need to have repair skills, and won't be getting calls in the middle of the night (unless you want to!). We have a network of supporters in the church family who will help with any issues. Please let the Pastor or trustees know if you are interested.

## UPDATE - 2021 CUMC Catch-up Stewardship Campaign

A very special thanks to all who have supported our 2021 CUMC Catch-up Stewardship Campaign. Your support is greatly appreciated.

Here's the good news...

As of September the 22nd we've received 14 Campaign responses. The responses included special one-time gifts totaling \$11,100 with an additional \$960 of increased giving pledged for the balance of the year. Additionally \$6,900 in "lost" donations that had never cleared our member's bank accounts have been identified and reissued to our church. The positive financial impact of the "Catch-up" is \$18,960. That's the good news,

And now for the not-so-good news.

Although the results of the campaign have been encouraging, they also indicate that the effects of the pandemic are still lingering. Pledged giving dropped off dramatically during the pandemic and has yet to return to pre-pandemic levels. Further, only about one in four church family members elected to participate in our "catch-up" campaign.

We ask that all of our church family members prayerfully consider God's work in Chino and contribute as they are able to our 2021 CUMC Catch-up Stewardship Campaign

It's time to shed the fear and uncertainty that we faced during the pandemic. Like the faithful at Chino UMC who have preceded us, let's move forward and do God's good work here in Chino.

Blessings,

2021 CUMC Catch-up Stewardship Campaign.
