This is the Only Area in Greenland producing S.C.I. Gold Trophies **90% chance for S.C.I. Gold**

This is definitely a gentleman’s hunt. You do not necessarily have to be very fit. You will stay in a hotel with all modern amenities, 3 meals per day, snacks, and soft drinks. No tent camps, no outdoor toilets, no backpacking for days, no walking your butts off, no 40° sled rides. Only rookies rough it! Sail along the coast in a boat with a warm and comfortable cabin. When a trophy is spotted, you will go to shore in a smaller open boat to stalk and further evaluate the trophy
