## LUXURY FLY-OUT FISHING IN ALASKA

di

This lodge is the most unique, private island luxury lodge located in Southeast Alaska. The lodge will provide an unforgettable trip for you and your group. Saltwater fishing is aboard one of our 36-39 foot sport fishing vessels (largest in Sitka) with private head and heated cabin. All the fish you catch and want to take home is processed and vacuum sealed for shipment home included in the price.

The fly out fishing combines a flight on a beaver floatplane with a spectacular scenery and world-class fly fishing. This is the only lodge in Sitka that owns and operates its own floatplane which is dedicated to only our clients. This means that if there is a weather delay, you are the first people to get out or get back. Charter aircraft will have a line of people to get out in front of you and would greatly delay your fishing day. The aircraft is dedicated to you for the entire day which includes multiple moves. All fishing gear is included with your trip. (Sage rods, Abel reels, and Simms Gortex Waders and boots) and no experience is necessary. At this lodge, you can also combine fly out fishing trips with ATV excursions on remove Chichagof Island. The combo fishing trip includes saltwater fishing and fly out fresh water fishing and has been the most popular package. They are proud to be permitted by the U.S. Forest Service to offer guided excursions into the Tongass National Forest and exclusive wilderness areas.

The lodge is a world-class luxury lodge accommodating a maximum of 24 guests with a team of experienced guides, world-class chefs, and support staff. This is an owner operated lodge with more than twenty-five years in business. All suites have California king beds, sitting rooms, ocean front balconies with private hot tubs and some with in room river rock fireplaces. The spacious lodge cabins are 2 story, 2 bedroom configurations with private hot tubs. The crown jewel of the spacious lodge is its chefs and the culinary experience they possess. Breakfast, lunch and a 5-course gourmet dinner next to a warm, crackling fireplace are part of the experience. The world-class chefs use only the finest ingredients in their 5-star dining program such as fresh

Alaska seafood, Kobe beef and wild New Zealand Red Stag. The lodge has the largest wine list in the state of Alaska with over

8,000 bottles to choose from. Also featured is hand crafted beers on tap from Alaska Brewing company. This is all part of our full bar that specializes in numerous varieties of scotches.

There are no words to describe the initial run of an ocean-bright, wild Alaska king salmon after it first attacks a lure or cut-bait. After a firm hook-set, trophy kings become a torpedo of flexing muscle, racing through the water at speeds over 25 miles per hour. Rods bend over double and line peels from the reel, accompanied by the song of the drags gears. Sometimes the best you can do is, simply, hold on tight.
